DRAMATIC HALLWAYS

Make a lasting first impression with striking colours, clever storage and chic styling. You're very welcome...

◀ LIGHT HALL

Maximise light with an all-white hallway. Pale floorboards bounce light around this space, while a collection of painted frames is an affordable and clever way to add a layer of interest.

Get the look Try Ronseal Diamond Hard floor paint in White, £28.98 for 2.5l; spray vintage frames with Plasti-Kote Super Spray in Satin White, £6.98; both B&Q.

FRAME ACADEMY
