As a local business, we are delighted to be collaborating with OMNIBUS THEATRE to exhibit artwork in the heart of Clapham Old Town, London. We bring together 7 contemporary artists from our portfolio to this unique 3 week event, including Irene Prada, Deborah Pendell, Nicole Rose, Oily Parish & Allan Storer.

Omnibus Theatre is a multi-award-winning independent theatre in Clapham. It is the home of story-telling and to an ambitious programme of events. The theatre is driven by the legacy of its' former library building to tell stories, familiar and unknown. Its' mission is to create theatre that has the power to inspire audiences and to bring people together through the arts.
